UPDATE: No Travel Advisory now includes Killdeer, Beulah

The North Dakota Department of Transportation (NDDOT) has extended the **No Travel Advisory** to include **Killdeer** and **Beulah** due to heavy snowfall and low visibility on the roadway. The No Travel Advisory also includes Dickinson, Belfield, Richardton, Bowman, New England, Hettinger, Mott and the surrounding areas. This includes **Interstate 94** from the Montana border to Hebron.

No Travel Advisories - are issued when conditions warrant no travel but not a road closure. No Travel Advisories have the potential to change to a Road Closure if conditions deteriorate. No Travel Advisories are issued for public safety to encourage motorists not to venture out onto the roads. Motorists are urged to take No Travel Advisories seriously. Conditions change often during a storm event and motorists may become stranded if they are caught between destinations.

All travelers are encouraged to monitor road conditions, reduce traffic speeds as weather conditions occur and use caution while traveling. For up-to-date road information, call 511 from any type of phone or go to the website: www.511.nd.gov for road and weather conditions.
